

\$1,000 Brian E. Kier Arts Scholarship

Brian Kier was a revolutionary leader in the arts for Davenport School of the Arts community. He brought hope and change through embracing the power of how the arts can influence the developing child. Mr. Kier was known for always finding the resources necessary to help support the needs for faculty, staff, and students. He always took great pride in watching how the arts impact affected positive change in the lives of the DSA family. The Brian E.
